## YEAR GROUP FOCUS

### 'Year 5'

In Year 5, we have had an eventful entrance to our new topic, Crime and Punishment. Last week, we took on the important role of a detective and found clues that were left at a crime scene. The children were able to think "out-of-the-box" and came up with some incredible scenarios as to what could have unravelled at the scene. We have also begun to read our new book, Stormbreaker by Anthony Horowitz, in English and will begin to produce some descriptive writing based off of this. Finally, for Design and Technology, we have started to think about different gadgets that we could make for a teenage spy, such as Alex Rider, Year 5 are excited for what's to follow!

## HEADTEACHER'S MESSAGE

I am pleased to inform you all that on Monday night (17th) the governing boards of Barcroft and Beacon Primary voted in favour of formally federating the two schools. This is a really exciting journey that both school families will now be on.

Next week, I will update you all on details of what the leadership structure will look like across the federation and share with you all our future plans and what we have already put in place and how this is having a positive impact on both schools.

We have booked in a parent evening so that you can find out how your child settled in during Autumn term and targets moving forward. Today, you will receive information on how to book the online consultation with your child's class or group teacher.

I wish you all an enjoyable weekend

Mr P Drew.

Acting Head Teacher
